

**C**ourage is key  
**B**lood draw? I don't care!  
**E**Very child can help  
**N**othing will stop me from helping  
**D**on't give up...it's working

This is an acrostic poem about how the CHILD study is working to counteract covid. Being part of the study makes me happy and I like feeling like I am doing something to help fight covid.
